## Program Bear Flag Days' Celebration.

THE MONUMENT

All roads lead to Sonoma today, from every section of the Banner County. Tonight and tomorrow morning will come pouring into the first northernmost settlement of the State—historic Sonoma—hundreds of California's Native Daughters and Native Sons to assist by their presence in adding another notable event to the record of our State's history.

With the presentation to Sonoma of the monument erected to the Bear Flag, additional importance is attached to the seat of early government and the incident of the Bear Flag assumes greater historic significance to the Native Sons of the Golden West.

No detail of arrangement has been neglected that will in anywise contribute to the success of this stupendous undertaking for a city so small as our own. It is certainly most difficult to accommodate hundreds of visitors for such a period of time, but we believe the energetic gentlemen of the Accommodation Committee have been successful in securing comfortable quarters for our guests. Late train service has been provided for tomorrow evening, thus relieving anxiety or possibility of an unpleasantly congested condition.

Nature, too, is prodigiously lavish in her to-be-appreciated contributions on this auspicious occasion. She has laden her rose-month June with a wealth of floral perfection, odorless-scented breezes, and azure-tinted skies.

Plenty of amusement of varied character will entertain and attract. This celebration will assuredly prove glorious, gala days.

## SONOMA VALLEY HIGH SCHOOL GRADUATES RECEIVE DIPLOMAS

E. REGUSCI, S. WEISE, H. WEISE, P. THOMPSON, G. DRESEL, B. DRESEL, J. CANEVARI, M. FOSTER, E. RANKER, J. C. MULLIN, R. PRESTWOOD

Union Hall, which had been very tastefully decorated, was filled with the patrons of the Sonoma Union Valley High School for the Commencement Exercises, Friday night of last week.

The program throughout was most excellent, the class address, "The Panama Canal Tolls," by J. Harold Weise, being particularly able. The young man's delivery is most pleasing, too, which added the recognition of his number.

Miss Edith Young handled the Valedictory in splendid style, the effort displaying literary ability on the part of the young graduate.

The address delivered by Attorney Rolfe L. Thompson, of Santa Rosa, was another of that gentleman's clever speeches. Mr. Thompson is a good talker, and contributed to the entertainment on this occasion.

The Misses Eleanor Kehoe, Edith Young, Marie Bish and Georgie Andrews, and Messrs. J. Harold Weise and Gustav Dresel enjoyed the proud distinction of receiving diplomas of graduation from the High School.

Diplomas were conferred on the fortunate young people by Hon. Robert A. Poppe. Mr. Poppe addressed the graduates briefly, but chose every thoughtful admonition so wisely, each so soundly logical

and worthy of remembrance, that we give the address in its entirety for the benefit of those who were unable to be present.

Ladies and gentlemen of the graduating class:

The time has arrived when you shall receive from the Board of Trustees the evidence of your successful completion of the course of study prescribed for this High School. I congratulate you on your success, and beg to assure each one of you that our best wishes go with each of the diplomas I am now about to deliver to you. I congratulate each of you that you have had the persistence to continue your studies for the full period of your course, and that you have earned the reward which it is our duty to bestow.

It might not be amiss to say to you that we can almost calculate to a certainty what your High School education has cost the State and District. But I am not going to make the calculation. We are not going to foreclose this debt, but are going to permit the Statute of Limitations to run against it. All we expect is that each of you will pay the debt in better citizenship. That by reason of your having acquired your education in this High School, you will go forth into the world as better citizens, better men

and women, to teach by precept and example those less fortunate than you have been, higher ideals of citizenship.

The principal object of education, after all, is the building of character. If you have profited by your course, you will have reached a higher level from which to regard the ordinary affairs of life. You ought now to be more charitable in viewing the shortcomings of others, as you have reached a higher point of view.

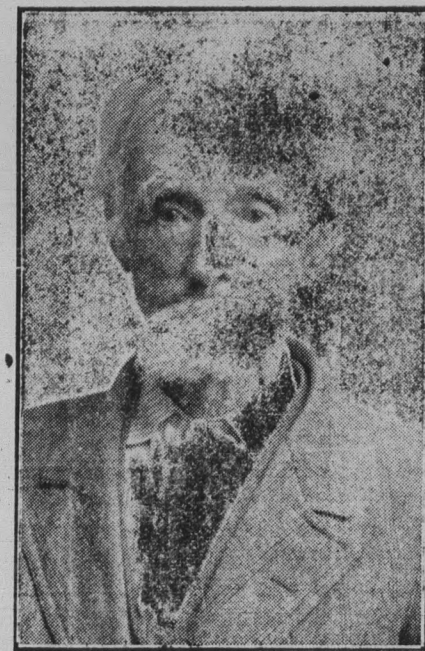

You must not forget, also, that it is the normal condition of every human being in this world to be engaged in some useful and legitimate employment. The world has no use for drones or idlers. Always remember that all toil and labor are honorable; that you must do the tasks assigned to you thoroughly and well. You should love the work you are engaged in, and do it for its own sake, and not for the reward there is in it. If you will do the little things of life well, the larger affairs will follow.

You need to be Pioneers—to hew out the untrodden paths, and make new ways for those who by reason of less fortunate opportunities must necessarily always follow.

Finally, when you leave here, speedily choose some life vocation; do something and do it well.

## SONOMA'S GIFT FROM SEBASTOPOL

James McChristian, Whose Picture Is To Be Presented Sonoma N. S. G. W.

At their meeting last week, the Sebastopol Parlor of Native Sons voted to attend in a body the unveiling of the Bear Flag Monument.

The Natives of the Gold Ridge district will act as escort to Mr. James McChristian, who is to be a guest at the Union Hotel during the celebration.

The members of Sebastopol Parlor will bring with them an enlarged picture of the venerable Californian pioneer, which they will present to Sonoma Parlor.

It is needless to say that our city and Parlor of Native Sons will deeply appreciate the thoughtful

courtesy on the part of the Sebastopol fraternity, and will treasure as one of their most priceless possessions this picture of the sturdy pioneer, who was present at the raising of the Bear Flag in Sonoma on June 14, 1846. The aged pioneer resides near Sebastopol, and although quite enfeebled is looking forward enthusiastically to being present and witnessing the unveiling of the monument, erected on the exact spot on which he saw the original Bear Flag flung to the breeze on that memorable day in June of '46.

#### The Bear Flag Monument

The following tribute to the Bear Flag Monument is from the poetical pen of A. J. Puckett, of Rural Route No. 3, Petaluma, Cal., and will be greatly appreciated by the Native Sons of the Golden West. Mr. Puckett was a former respected resident of this valley, and has contributed several excellent compositions to the Index-Tribune:

In all our country's vast extent,  
All skeptics' eyes will fail  
To find a fitter monument  
Than we, today, unveil.

A triumph of enduring art,  
A gem of sculptured grace,  
This pile is sacred to the hearts  
Of our ennobling race.

Here, loved and guarded by the free,  
For ages it will stand  
In memory of the thirty-three  
That formed the Bear Flag band.

In all our strength and glorious bloom,  
We never have forgot  
How sunlight banished slavery's gloom  
On this immortal spot.

Though empires grant more liberal might,  
And smooth their rugged seams,  
We still are ages past the light  
Of their most cherished dreams.

In all our country's vast extent,  
All skeptics' eyes will fail  
To find a fitter monument  
Than we, today, unveil.

#### Card of Thanks.

I wish to express, through the columns of the Index-Tribune, my sincere thanks to the Sonoma Fire Department for the prompt and effective service rendered at the fire which occurred in my building last week. To the citizens generally who were promptly on the scene and extended help, I am deeply grateful.

HENRY CASTAGNARO.

#### Card of Thanks.

Words can scarcely express the gratitude and appreciation of the Presentation Sisters of Sonoma, for the many and generously kind acts performed in their favor during the immediate preparations for their late closing exercises. The assistance rendered by the gentlemen, who left their own business to lend aid, is matter for very warm thanks. The deed will never be forgotten by the Sisters. As for the ladies, who with such earnestness and warm-hearted devotion plunged into the vortex of providing and serving ice-cream, cake, sandwiches and candy, and making a grand success of same, the Sisters can only say from full hearts: "A thousand thanks, dear ladies."

## CALIFORNIA APPLE CROP PROSPECTS

Discussing the apple situation in general, with a prominent fruit man, the Index-Tribune has been furnished some interesting data as follows:

Starting with the earlier variety, on both red and white Astrakhans the crop is forty per cent heavier than last year. In the various early Gravenstein sections, we find the same crop conditions as last year.

Bellefours in general are thirty per cent lighter than last year. Newtown Pippins are fifteen to twenty-five per cent heavier than last year.

All late red varieties appear to be somewhat heavier. Of course, we find from past experience that, when the fruit begins to size and color, there is a good deal more than we originally figure on. This particular condition will offset the drop which is to come. Accordingly, there will be no shortage of apples. This alludes to California.

Receipts of new apples on the San Francisco market for the first days of June are as follows: June 3rd, 875 boxes; June 4th, 688 boxes; June 5th, 645 boxes, with about 35,000 boxes of last year's stock in cold storage.

According to these conditions, one can readily see that the trade will not pay fancy prices for early arrivals of new apples.

We also have received heavier crop reports from the various apple sections in Oregon and Washington. These crop reports are obtained from experienced men in the business, and are, therefore, as nearly correct as possible.

The days are at hand when ice cream is most enjoyed. None finer than that made by Mrs. P. Yenni.

The best quality and freshest of confectionery also on hand.

## LOCAL NEWS OF SONOMA AND IMMEDIATE VICINITY

### Happenings in Town of General Interest--What Our Merchants Offer in the Way of Trade Inducements

Mrs. Pauline McMullin and Mrs. R. L. Watt passed Monday in San Francisco.

Mrs. J. H. Cutter was here from San Francisco, Saturday last, the guest of her sister, Mrs. Lulu V. Empanan.

Mrs. Irving C. Gobar spent the latter part of last week in the Bay City, returning home Saturday night.

Miss Doris Dorman departed last week for Suisun, where she will visit for a fortnight with her sister, Mrs. J. L. Grades.

Dr. and Mrs. A. M. Thomson and Mr. and Mrs. Will Clement motored to San Francisco, Wednesday, for a brief visit.

Miss Dorothy Raynor, of San Francisco, is a guest at the home of Mrs. Amelia H. Bates.

Mr. and Mrs. J. H. Murray will entertain D. Beban, of the Bay City, over the celebration. The gentleman holds the position of wharfinger.

Mr. and Mrs. Claude Johnson are enjoying a visit from that gentleman's sister, Mrs. Geo. Zane, of Woodland. Miss Ruth Lillard, of Winters, is also being entertained at the Johnson home.

Mr. and Mrs. Faulkner, and Mr. Joyce of Holbrook, Merrill & Stetson, San Francisco, are guests at the delightful suburban home of Mr. and Mrs. S. J. Erazmus. The visitors are charmed with Sonoma Valley.

Miss Dorothy Lycette, a charming San Francisco girl, is the guest of Queen-elect California, Miss Florence Green. The young lady has a host of friends in our city, who will be pleased to learn that she is to spend several weeks in our midst.

The Misses Louise and Adele Lemoyne came up from San Francisco, Saturday evening, and are guests at the Froment home—Miss Louise for a week, Miss Adele to remain a fortnight. These delightful girls are nieces of Mrs. Froment.

Mrs. Amelia H. Bates, who for a fortnight past had been visiting with her daughter, Mrs. Clarence Nauman, in San Francisco, has returned home. Mrs. Nauman has recovered her usual good health, and with her family will enjoy the Bear Flag celebration.

James W. Ramage, circulation manager of the Santa Rosa Press-Democrat, was "doing politics" in Sonoma, Thursday. Mr. Ramage is an aspirant for the nomination for county treasurer, and prospects are exceedingly encouraging for his success. Of Mr. Ramage, we will speak further in our editorial columns next week.

Mr. and Mrs. Wm. Dwyer, accompanied by their lovely daughters, Misses Leona and Edna, and son, Eugene, are here from Benecia to enjoy the festivities, and enthrall their relative, Jos. F. Ryan, to win out on the track at the race meet this afternoon. The family have a wide circle of friends in Sonoma, from whom they receive cordial greetings.

Thursday afternoon of next week at the High School, Miss Helen Rowell will open a summer school, receiving for instruction in scientific cookery and household arts all young people under eighteen years of age, no matter what school in this valley they attend. This will be preparatory training for the successful accomplishment of an Agricultural Fair, to be given by our local schools, August 28 and 29. Sonoma is the first of the rural districts to attempt an undertaking of this nature. Miss Rowell—a sister of Prof. M. H. Rowell—has been an instructor in domestic science in the Malden High School, near Spokane, Washington, and will today receive from the Board of Education a certificate to teach in this county.

The Uniform Benefit given by the management of Boyes' Springs, Wednesday night, for the Sonoma Drum Corps, was largely attended and jollity reigned supreme. The members of the Drum Corps were "well elegant" in their handsome new uniforms, and were enthusiastically received. The vocal numbers by Miss Henrietta Webber and Al Jansen were so delightfully rendered that encores were demanded, and the dance music, with an orchestra comprising Claude Johnson, Al Jansen, Frank Knolle, Roy Pauli, Cleve Meyers, Art Hickman and Fred Hansen was of such excellence as to arouse enthusiasm. Dancers couldn't get enough of it. This assistance and courtesy on the part of Boyes' Springs' management, and the interest and co-operation of Amusement Manager Art Hickman is characteristic and greatly appreciated.

Miss Kate McDonnell passed the week-end visiting in the metropolis. During her absence, the librarian's duties were discharged by Miss Adele Livernash.

Mrs. J. P. Berry and son Frank, accompanied by Mrs. Mildred Treanor of San Francisco, motored over from Santa Rosa, Sunday, to witness the exciting baseball game at Boyes' Springs.

At the regular monthly meeting of the Board of Library Trustees, held Tuesday evening, it was decided to close the library tonight. The basement, which is fitted with dressing room accommodation, will be kept open during the celebration, to ladies and children only.

Miss Aleta Franquelin, one of the most popular of our High School students, has accepted a vacation position in the Lutgens' Confectionery and Ice-Cream Parlor. With the combined attractiveness of her popular assistants, Miss Franquelin and Miss Gertrude Calderwood, Mrs. Lutgens will certainly increase her already thriving business.

Mrs. E. R. Bryant, of San Francisco, had the pleasure of witnessing graduation honors conferred on her granddaughter, Miss Georgia Andrews, at Sonoma's High School Exercises. Miss Andrews goes to San Francisco next week, to reside with Mrs. Bryant, and in her departure, our younger social set will lose one of its best-liked, most popular girls. All sorts of good wishes will follow this charming girl graduate.

Mr. and Mrs. Herman Schlueter, who had been summoned from Chicago by the serious illness of the lady's brother, Ernest Dalluge, departed for their Eastern home, Sunday morning. Mr. Dalluge, it will be remembered, suffered a stroke of apoplexy, some weeks back, resulting in paralysis of the right side. The gentleman recently purchased a small farm in the Schellville district.

Miss Meta Stofen departed for Berkeley, Sunday, where she has accepted a position in the Piedmont branch of the free library of the University city. While the present position is but temporary, yet it is expected by her host of friends that it will result in Miss Stofen being permanently placed, in recognition of intelligent, capable service. Miss Stofen fills the vacancy occasioned by the advancement of Miss Mabel Hayes—sister of Dr. W. B. Hayes as librarian of the Berkeley institution.

Mr. and Mrs. J. A. Kinsella spent the week-end in San Rafael and Berkeley, going down to be present at the Commencement of the San Francisco Normal School, from which institution the gentleman's sister, Miss Evelyn Kinsella, graduated. The exercises took place in the Greek Theatre, Berkeley, Sunday afternoon. The charming sister of our popular townsman has many friends in our city, all of whom extend congratulations.

The reception tendered the graduates of 1914, Sonoma Valley Union High School, in Assembly Hall, Saturday night, was an interesting gathering—a galaxy of lovely buds and promising manhood. Under the artistic supervision of Miss Gladys Simmons, the hall had been prettily decorated with luxuriant greenery. Punch was dispensed by the Misses Aleta Franquelin, Dorothy Dobbel and Valeria Helberg, and splendid music was provided for dancing by the Pauli-Gottengberg Orchestra.

The Century Opera Company will present at the Don Theatre, tonight, "A Ferry Story." Tomorrow, commencing in the afternoon at four o'clock and from that time on until eleven o'clock, the company will give a continuous interpretation of "A Quarter to Four." This is the comic opera so successfully given in Santa Rosa, in which clever Ed Gage and his talented sister, Miss Irma, sustain leading roles. Both have many friends here who will be on hand to greet them. Admission fifteen and twenty-five cents.

Hon. Jas. D. Phelan, who seeks the nomination for United States Senator on the Democratic ticket, was in town Thursday, en route to Vallejo, where he delivered an address that evening. Mr. Phelan was accompanied by his campaign manager, Dan P. Casey. Both gentlemen will return today to participate in a fraternal visit to the Native Sons of the Golden West at the unveiling and presentation of the Bear Flag Monument to the City of Sonoma, and also to unite with their brethren of the Young Men's Institute, which fraternity identifies itself with the Reopening of Mission San Francisco de Solano.

For Sale—A gentle, buggy horse, suitable for family use. Apply at this office.

For Rent—Building suitable for store or office, next to J. Lucio's shoe shop, near postoffice. Inquire H. E. Calderwood.

L. B. Lawson, Specialist, of the Lawson-Rinner Optical Co., will be located at the Union Hotel on Thursday, June 18th.

Mr. and Mrs. Bruce Painter and little daughter, Barbara, were here for the closing exercises of Sonoma's High School, guests of Mrs. Goodman. Prof. Painter is principal of the Livermore High School.

A. Farina, of Napa, the well-known dairyman, was in town Wednesday and was well pleased with the Bear Flag Days' decorations. He will be here with his family on the 13th and 14th.

Al Dupont, the well-known and popular horseman, after an absence of nearly a year, returned recently from San Francisco and will make this city his home in the future. Al says there is no place like Sonoma for good health and pleasant associates.

There will be but one service in Trinity Episcopal Church, tomorrow morning—Morning Prayer, at nine o'clock, in order that the rector, Rev. J. Henry Oelhoff, and his congregation may attend the reopening of Sonoma's historic Mission.

In the destruction by fire, last Monday morning, of "Bill's Grill," near Boyes' Springs, the owner of the building, Urs F. W. Boynton, suffered a heavy loss, carrying only partial insurance. This is also true of William Rayburn, lessee of the building.

Mr. and Mrs. Adam Adler are entertaining a number of friends at their beautiful home, during this week of the celebration. Their guests comprise Mesdames Jack Sipes and Chas. Koch of San Francisco, Misses Ella Darcy and Mabel Bowman of San Mateo, and E. J. Smith, of San Francisco. Miss Darcy had the good fortune to win an automobile—a five-passenger Ford—in a recent contest conducted by the San Mateo Times.

To the regret of patrons and students of the High School, R. L. Piatt, commercial instructor, has tendered his resignation, and will spend a year at Stanford University, studying to attain a Bachelor Degree. The severing of associations of this splendid educator, is a loss to the school, which has received untiring, efficient service, and to the community of which Mr. Piatt has been a valued member.

Misses Margaret E. More and Ellen Trueblood, of the Sonoma High School Faculty, took their departure, Sunday morning, to enjoy a respite from school duties and revel in the freedom of mid-summer's vacation. Miss Trueblood will visit in Berkeley, San Jose, and other points and later on will tour the Yosemite Valley. Miss More will summer in Santa Barbara, Los Alamos and Los Angeles.

Sunday evening, Officer Ryan was summoned to Agua Caliente Springs to take into custody Rafael Vivone, who had become suddenly and violently insane. The unfortunate man had arrived in Sonoma Sunday morning, and leaving his belongings at a local hotel, spent the day at the resort. He was taken to Santa Rosa, Monday, and committed to the Ukiah State Hospital. Deputy Sheriff Ryan says Vivone was the most violent insane person he has ever handled. The cause of the man's mental aberration is unaccountable, as examining physicians declared it was not the result of inebriation.

The meeting of the Congregational Ladies' Aid, held at the home of Mrs. A. McHarvey, Wednesday afternoon, was an unusually interesting and pleasurable session. The hostess of the occasion is a charter member of the society, and one of its best and most esteemed workers. Over forty members assembled in compliment to Mrs. McHarvey. In recognition of faithful, competent service for ten consecutive years, as secretary of the Aid, Miss Anna Pemberton was presented with an elegant gold chain and pendant, with diamond, pearl and sapphire settings. Miss Pemberton is as deeply appreciative of her unexpected, beautiful gift as is the Aid Society of its capable, untiring officer.

The term of office of Mrs. M. T. Stearns, as a member of the Board of Library Trustees, expiring in July, that lady, tendered her resignation at the June session of the Board of City Trustees. The remaining members of the Board of Library Trustees are deeply regretful that Mrs. Stearns has given up library work, but realize that in justice to herself it is necessary that she retire from active work in all organizations. Sonoma Valley is very deeply indebted to this most highly esteemed pioneer resident. She it was who founded our reading-room, interest in which on her part has been unceasing. She has contributed very largely to the success of that institution by liberal contributions and as a member of the Board of Library Trustees.

### WHAT OUR NEAR-BY NEIGHBORS ARE DOING.

Week's Budget of News Notes From Progressive  
Sonoma Valley Towns.

#### VINEBURG

Lawrence Hunter visited relatives in the Bay City, the week-end.

Huchica School closed Friday, June 5th, for the summer vacation.

Miss Myrtle Hardy was the guest of friends in the bay cities the week-end.

Miss Lottie Trautvetter and John Bell were guests at the Trautvetter residence on the Hyde tract, Sunday.

John Picetti, the well-known Sonoma furniture merchant, was a passenger on the south-bound train Sunday morning, en route for the metropolis.

Misses Olive and Ethel Hampton, of San Francisco, were guests of Mrs. Adam Giegrich several days last week, at her pretty home on the Hyde tract.

Mrs. August Rouque, Sr., and granddaughter, Miss Leah Rouque, Mrs. Henry Rouke and Mrs. Lucy Rielly visited San Francisco on Sunday last.

We hear that Dr. J. J. Leek, a prominent dentist of San Francisco, has purchased twenty acres of the Hyde tract, on that portion known as the "Hill Vineyard," all in fine bearing.

At their cosy home, "Burns Dale," on the Hyde tract, Mr. and Mrs. George Burns have been entertaining Mr. and Mrs. Howell, Mr. and Mrs. E. E. Madden, Mr. and Mrs. I. Leslie, and Mrs. A. Clocke, all of San Francisco.

Louis Rouque has sold his property, the pioneer vineyard villa, to W. A. Lehrke of Los Amigos Ranch, and on last Sunday a large number of Mr. Rouque's guests were accommodated by Mr. and Mrs. Enrico Forni, at Pleasant Villa. Visitors to Vineburg always find a place of welcome.

Mr. Aetelle has sold his pretty home on the Napa road, near here, and will depart for Los Angeles in a short time, from whence he goes to his native state, Michigan. Mr. Nistelle and sister, Mrs. Brown, have made many warm friends in this vicinity, who wish them good luck.

Mr. and Mrs. W. H. Hamilton and family were visitors to Pleasant Villa on Monday last and were well pleased with the "egg city."

Mr. and Mrs. Johansen and family of Santa Rosa were guests of Mr. and Mrs. David Valquadson several days last week.

Enrico Forni has sold his pretty summer resort, Pleasant Villa, to W. A. Lehrke, who in a short time will make a great many extensive improvements thereon. Mr. Forni retires after being in business for twelve years and during that time has won the confidence and respect of everyone in this part of the valley who has had any dealings with him.

On Friday of a week back, there was switched in on Batto's Spur four straight carloads of freight consisting of two cars of grain and feed from the leading standard mills, one car sugar—twenty tons or four hundred sacks—and one car of hay baling wire. The latter was twenty tons in weight, or 1350 bundles. The last two cars were the largest individual shipments in that line ever coming to Sonoma Valley. The wire was shipped direct from the mills, Waukegan, Ill., and is sufficient to bale between seven and eight thousand tons of hay. There must be some hay in the valley, as most of the wire has been sold and delivered.

#### CATTLE ON THE RUN

For a living all the time cannot be expected to make sweet, tender meat. The cattle from which we get our choice meat are the stall-fed, grain fattened kind that produce the best meat on earth. Try us with an order for next Sunday's meat. Then all the family will be home to enjoy the treat, which will not cost you a cent more than usual.

#### SHELLVILLE

Miss Florence Rubke, who has graduated from Normal School has accepted a school at Monte Rio, where she shall start to teach after her well earned vacation.

Mrs. Fred Schell had a pleasant visit from San Francisco relatives recently.

Mr. and Mrs. Wm. Clements went to Berkeley Sunday to attend the San Francisco Normal School exercises at the Greek theatre.

Mrs. J. Stonier and daughter, Clara, were visiting in San Francisco Monday.

Miss Mildred Burchard left Monday for a visit with Santa Rosa relatives.

Mr. and Mrs. W. Switzer autowed over from Napa Tuesday and spent a few days at their ranch here.

Miss Virginia Picetti spent Wednesday at the Fred Helberg residence.

Little Evelyn Steiger is spending the week in San Francisco with her grand parents.

On account of ill health, Mrs. F. Rose left Tuesday morning for a three month's camping trip.

A number of Mrs. A. Landsborough's little baby friends were invited to her home on Friday of last week and the tots, accompanied by their mamas had the best time ever.

Mrs. B. Weatherhead of El Verano, accompanied by San Francisco relatives, visited Schellville friends Tuesday.

Mr. and Mrs. Joseph Keiser entertained a few friends on last Sunday.

Mrs. Mont Akers witnessed the Normal School exercises and while there, was the guest of her granddaughter, Miss Myrtle Minkel.

W. Jacobson was here Sunday looking over his ranch.

J. Linzie was among the visitors to the Bay City Monday.

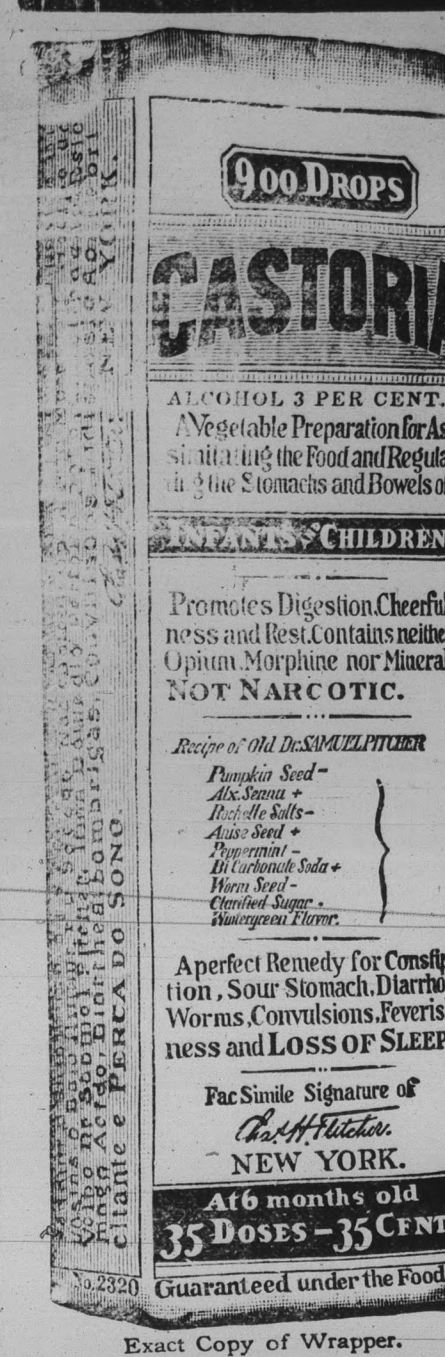

Guests who accepted the hospitality of Mr. and Mrs. Ernest Arbogast departed for their San Francisco homes Sunday.

**HAPPY JACK.**

The Ladies' Aid Society of the M. E. Church are to be commended on their energetic spirit in serving a chicken dinner today in the church parlors, beginning at noon. An excellent meal is to be provided at a reasonable price.

**FOR A LIVING ALL THE TIME** cannot be expected to make sweet, tender meat. The cattle from which we get our choice meat are the stall-fed, grain fattened kind that produce the best meat on earth. #### Trustees To Be Commended.

The Index-Tribune commends the action taken by the Board of City Trustees in voting \$200 for the purchase of the several hundred lights, which canopies in brilliant illumination our principal thoroughfares for this celebration, at a cost to the Native Sons of \$500. While the sale of the lights has been somewhat of an advantage to the celebration committee, it is doubly so to the city, and will be regarded by our people as one of the greatest of benefits resulting from the big event. All future expense connected with lights, the furnishing of power, etc., will be liquidated by the Chamber of Commerce. This concerted movement on the part of our civic bodies is an evidence that the spirit of progress and enterprise is fully awakened and we are coming into our own at last. Now, for united efforts in improving the city's public square.

#### Assumes Office Next Month.

John D. Wagon has received his commission from Washington, and on July 1st, Postmaster Cheney turns over the office to his successor. Mr. Cheney retires with the gratifying knowledge that he has given honest, faithful, painstaking service during his term of office, and a host of friends, who hold him in highest esteem as an official and a resident, regret that influences were not sufficiently strong to secure his reappointment. Sonoma's post-office, however, passes into the custodianship of a gentleman of high integrity and keen business capacity. In Mr. Wagon's hands we are assured the affairs of the post-office will be managed with unexcelled competency.

Mrs. A. Carlson, of Schellville, a victim of a broken arm and other injuries in an auto accident some weeks ago, was taken to the Morton Sanitarium, San Francisco, for specialist treatment, Friday morning of last week.
